This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

**EN 14471:2013 + A1:2015**

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

The determination of the product type on the basis of type testing is documented in: TÜV SÜD Industrie Service GmbH, report A 1650-01/08, A 1650-02/08, A 1650-03/13, A 1650-04/13 and A 1650-05/16.

This certificate was first issued on 2007-07-03 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
